

# Moonrunners Community Handover Terms

## 1. Summary of Handover Proposal

The Moonrunners brand assets and intellectual property (IP) is being transferred to a new Leadership Group for **\$1 USD**. This is a **symbolic handover**, This is not a sale of a business and does not include any financial interest, equity, or guaranteed income. There are **no ongoing obligations, warranties, or liabilities** attached to this transfer. The \$1 fee is symbolic and does not reflect the value of the assets.

Not all Moonrunner NFT holders need to vote but the voting period is intended to maximise the opportunity for as many of the community to vote as is realistically achievable without causing an excessive delay in getting a final result.

The Leadership Group will sign a separate legal agreement if the vote passes and help manage the transition of all assets.
